My dearest Mother,

Thank you for
your last letter. The weather
here continues rotten, altho'
it changed for the visit of
the Graf Zeppelin to Hamworth
last night. Marjorie & I went
to see it. It returns to
Hamworth to-night and I am
going back to Germany in it.
By the time you get this I
expect I shall be in
Friedrichshafen. I shall be
back in London on Saturday
afternoon and we all go to
Worthing on Sunday.

I am taking Maymie & Pok
over to Hatch End to-day
to Maymie's sister. Her address
will be

at Mullion
Hill View R^d
Hatch End Middlesex

All the Withers' are down
at Sudmouth. I don't know
whether their weather is
better than ours, but hope so.

Well, much love from us
all to you both; hope you
are well,

Your own loving son
